Join the most important Congress on Health Systems Modernization and Health Sustainability in the unique location of the San Raffaele University Hospital in Milano. The conference will aim to exchange on the content and goals of the EU strategy 2014-2020, considered as a priority both by the Member States and the European highest offices.

- Meet 200 Hospital representatives from across Europe, Doctors, Academics, Alliances of Patients Association, and Industries.

- Participate in the discussions of several round tables representing public and private hospitals sector, European Commission, MEPs, Ministers, alliance of patients, academics and medical devices.

- Take the opportunity to visit the Universal EXPO in Milano (free Saturday tickets to the first 200 attending)

San Raffaele Hospital is a clinical research-university hospital with 49 clinical specialties and over 1300 beds; it is accredited by the Italian NHS. In 2012 it performed ~26,000 surgical interventions, ~45,000 patient admission, ~65,000 emergency room encounters and delivered over 7 million services. Research at San Raffaele Hospital focuses on integrating basic, translational and clinical research to provide the most advanced care to our patients. We count on over 1500 scientists. The Institute is recognized as a global authority in molecular medicine and gene therapy. Since 2010 our Hospital also hosts the International Medical Doctor Program, the only graduate program accredited to license Medical Doctors in both Europe and North America.

The San Raffaele Hospital hosts the University “Vita-Salute San Raffaele”, a fully private university with a complete Medical School, Nursing School, a Psychology graduate and post-graduate program, and Allied Health Professions School.
